Dear beloved in Christ,

Every week we go to the same restaurant and give tracts to everybody there.

One day, we got a new waitress who made an unusual request: "My children want to learn Spanish. Can I have the same title in both English and Spanish so they can study it?"

Her kids may not be in Sunday School, but they get the Gospel every week, study it and look for more. I can't save them. God does that. But His Gospel is getting into their hearts. I'll trust the Lord to do the rest.

One person wrote: "My dad would bring home some Chick tracts . . . about 2 or 4 at a time and I would go to my room to read them. Little did I know that God's Word was being planted in my heart. . . . Later I gave my life to the Lord."

As you keep giving different Chick tracts to the people you meet, God will soften their hearts. God promised us that His Word would never return void.

It works!

AND THE GOSPEL!

We Finally Tried It!

I want to thank Mr. Chick for encouraging Christians not to avoid this day but use it to share the gospel.

I admit that in the past I've avoided the trick-or-treaters.

I purchased the tracts and some candy and waited to see what would happen. The doorbell never has rung more. It was a huge encouragement to my husband who said some kids just grabbed tracts and left the candy.

I am already excited about next year. God willing, I plan to order a lot more tracts and candy. We may not be able to sit down and share Christ with everyone we see but praise God for these tracts that are a tool to get the message of Christ into every home. Chick Tracts are the best. They share the raw gospel and nothing more. This is what the world needs.

HERE'S AN IDEA

This **FREE** mini-book shows how one couple in Indiana inspired their entire church to become more active in soul-winning and resulted in the distribution of over 500,000 tracts into their community. Now they are rarely able to hand a tract to anyone in the community who has not seen at least one Chick tract. It all started with a small display rack filled with tracts. "You can get the same rack for your ministry (see below)."

Rick Clark: "Chick tracts are by far the most effective tracts I've ever seen to reach the lost with the gospel. Praise God! My wife and I have seen four of our grandchildren saved because of Chick tracts!"

Bob Arrington: "Every Christian should be a minister for Jesus Christ by spreading the words of faith and good doctrine (1 Timothy 4:6). There's no easier way to do that than with Chick Tracts. Every Christian house of worship should have a tract ministry."

Pam Todd: "We have seen how the Lord has worked in the tract ministry. For shy or quiet people, a Chick tract is a great way to share the Word of God."

From beginning to end, it is filled with short stories of how he opens conversations, turns them to spiritual things, and challenges people. Some call it Cahill's best book yet!

Tools to help you reach Roman Catholics

Most Spanish-speaking people are steeped in Roman Catholicism. As a result, it is often necessary to show them what's wrong with their own religion before they will understand their need for the true gospel of salvation by faith alone in Jesus Christ. The books and DVDs on these pages will equip you to show Catholics the errors of their religion, and why it will never get them to heaven.

Finally...a Spanish Bible 100% true to the Textus Receptus. The RVG 2010

Until now, no Spanish Bible was free from corrupted Alexandrian texts. But that all changed with the release of the Reina-Valera Gomez 2010 Bible... the only Spanish Bible that follows the Received Text in every single verse.

"I can't thank you enough for having the **Reina Valera Gomez 2010 Large Print** version on sale! It is what my church has been asking for, for years."

We're Bible readers, too. We know what we enjoy in a Bible.

57

It should be soft enough to hold in your hand, and still stay open so you don't lose your place. It should have print that just makes the eye flow over it, where you don't have to strain to read it: nice and large, easy to see even when the eyes start to fade with experience (age).

We want a Bible that is printed on a beautiful, slightly ivory paper that is not too bright, so our eyes don't get so tired while reading.

We want the durability of genuine leather with Smyth-sewn binding, the Bible quality standard of the world. We want a good concordance for those times when we know it's there, but just can't remember the reference. And beautiful, full-color maps to help our study.

Most important of all, we want a Bible that absolutely conforms to the Textus Receptus text, accepted for centuries by the church the world over as the uncorrupted, true words of the living God, nothing added, nothing taken away.

This is it, the RVG genuine leather large-print Spanish Bible.

Last year we were invited to come do a Vacation Bible School for a church. We use puppets quite a bit. We took your ***Somebody Loves Me*** tract and sat down and made a puppet script out of it.

We did the show and were told later by some folk that one young man was really touched by the puppet show. That night he disappeared. The mother found him out behind the garage on his knees asking Jesus to come into his heart.

In the picture to the left, Missionary to the Congo, Michael Greene is in Ngeba delivering Bibles and passing out Chick tracts. He tries something new... getting the kids to line up to receive tracts instead of crowding him and trampling each other as seen in the picture below.
